Client Relationship Summary
Mosaic Family Wealth Partners, LLC (CRD# 317377)

Item 1. Introduction

Our firm, Mosaic Family Wealth Partners, LLC, is registered as an investment adviser with the U.S. Securities and Exchange Commission. Brokerage and investment advisory services and fees differ, and it is important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://www.investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing.

Item 2. Relationships and Services

What investment services and advice can you provide me?

Services: We offer wealth management and investment advisory services to business owners, executives and families. These services include wealth management which is a combination of financial consulting and investment management. We may also offer financial consulting as a stand-alone service. We work closely with you to identify your investment goals and objectives, as well as risk tolerance and financial situation in order to develop an investment approach.

Accounts, Investments, and Monitoring: We provide services to individual, joint, retirement, trust and estate accounts. We primarily use mutual funds, exchange-traded funds, stocks, bonds, affiliated private investments, and options in constructing portfolios. We do not make available or offer advice with respect to only proprietary products or a limited menu of products or types of investments. As part of our services, we monitor portfolios and securities in accounts on a regular and continuous basis. We also meet with you at least annually, or more frequently, depending on your needs.

Investment Authority: We provide our services on a perpetual and discretionary basis. We execute investment recommendations in accordance with your investment objectives without your prior approval of each specific transaction. Our engagement will continue until you notify us otherwise in writing. We also offer our services on a non-discretionary basis, which means we are required to obtain your consent prior to executing any trades in your accounts. Therefore, you will make the ultimate decision regarding the purchase or sale of investments in your accounts. However, we may not be able to aggregate your order with other client orders under this type of authority and therefore you may not receive the same price as other clients.

Account Minimums & Other Requirements: We generally require a minimum relationship size \$2,000,000 in order to effectively implement our investment process. This amount may be waived or reduced at our sole discretion.

Additional Information: For more detailed information on our relationships and services, please see Item 4—Advisory Services, Item 13 – Review of Accounts and Item 7 – Types of Clients of our Form ADV Part 2A available via our firm’s [Investment Adviser Public Disclosure Page](#).

Conversation Starters: *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

Item 3. Fees, Costs, Conflicts, and Standard of Conduct

What fees will I pay?

Asset-Based Fees: Our asset-based fee for wealth management ranges from 0.25% to 1.35% annually based on tiered schedule or a fixed rate. Our tiered schedule differs based on the amount of assets we manage. This fee is collected on a quarterly basis and calculated as a percentage of the value of the cash and investments in your account[s] that we manage. This presents a conflict of interest as we are financially incentivized to encourage you to place more assets in your advisory account as you will ultimately pay more in advisory fees.

Fixed Fees: Our fixed annual fees for financial consulting range from \$10,000 to \$100,000 per year. This fee is collected on a quarterly basis and negotiable based on the nature and complexity of the services to be provided and the overall relationship with us.

Other Fees & Costs: In addition to our advisory fee, you will also be responsible for third party manager and/or platform fees, custody fees, account administrative fees, fees and expenses related to mutual funds and exchange-traded funds and applicable securities transaction fees.

Additional Information: **You will pay fees and costs whether you make or lose money on your investments.** Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For more detailed information on our fees, please see Item 5 – Fees and Compensation of our Form ADV Part 2A available via our firm’s [Investment Adviser Public Disclosure Page](#).

Conversation Starters: *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interests ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here is an example to help you understand what this means.

Some of our financial professionals are registered representatives of Purshe Kaplan Sterling Investments, Inc. (“PKS”), a registered broker-dealer. In addition to our services, your financial professional will offer you brokerage services through their separate capacity as a registered representative and will earn commission-based compensation for transactions implemented through PKS. The commissions earned are separate from our advisory fees, which creates a financial incentive to recommend that you implement securities transactions through PKS. You are encouraged to learn more about PKS by reviewing their client relationship summary.

Additional Information: For more detailed information, please see Item 10 – Financial Industry Activities and Affiliations, Item 12 – Brokerage Practices and Item 14 – Client Referrals and Other Compensation of our Form ADV Part 2A available via our firm’s [Investment Adviser Public Disclosure Page](#).

Conversation Starters: How might your conflicts of interest affect me, and how will you address them?

How do your financial professionals make money?

Our financial professionals are compensated through salary and bonus or a share of our profits. Generally, this compensation is correlated to the amount of client assets they service, the revenue our firm and/or our affiliates earn from the financial professional’s services or recommendations, and/or whether the financial professional has been successful in increasing amount of client assets under our management. This presents a conflict of interest in that our financial professionals are incentivized to encourage you to increase the amount of assets in your account(s) managed by us or to otherwise transition accounts/assets to our management. We and our affiliates refer clients to third-party service providers and are eligible to receive additional compensation for those referrals, which incentivizes your financial professional to recommend certain products or services offered by our affiliates. Our affiliates include Focus Operating, LLC, Focus Treasury & Credit Solutions, LLC, Focus Risk Solutions, LLC, and SCS Capital Management LLC. Your financial professional may also be compensated by our indirect parent company, Focus Financial Partners, LLC (or one of its affiliates), based on our earnings. This gives your financial professional an incentive to encourage you to increase the size of your investment account and to maintain your investment account with us, rather than transition it to another adviser. See Item 5 of your financial professional’s ADV Part 2.B Brochure Supplement for more information.
